Presbyter's Message

Dear Parishioners,

Greetings to you in the precious name of our Lord and Savior Jesus Christ.

On the 9th of June we will be celebrating a very important day which is the Day of Pentecost.

If Christmas is the day we celebrate the birth of Jesus the Son, then Pentecost is the day we celebrate the 'birth' of the Holy Spirit. There are many Christians who do not know what Pentecost is or what it is about. Pentecost is an experience such as what occurred on the "Day of Pentecost". The day of "Pentecost" was and still is observed by Israel today. It is a celebration which occurs fifty days after the celebration of the "Passover", which commemorates Israel's deliverance out of the bondage of ancient Egypt. The day of "Pentecost" is also the day chosen by the Lord to begin the fulfillment of prophecy of Joel 2:28: "I will pour out my Spirit upon all flesh...."

It is described in the Bible in Acts 2:

"When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them."

Some 3,000 people were baptized into Christianity after hearing the disciples speaking in their own language to them after this event. The original Pentecost encouraged Christianity as a religion and launched it as an evangelical religion. Pentecost marks the fullness of God coming to the earth and interacting with humanity, as Christians understand it. God the Father has always been there, present in creation and all around us. Christ Jesus came to earth in the form of a human to take away the sins of the world. And the Holy Spirit came at Pentecost to stay forever within the souls of humans, a 'spirit of truth,' a 'counselor.' It's the inner voice that Christians rely on for guidance and that they listen for during prayer. It's the energy that mobilizes churches to work together to serve their communities and get things done. That's the Holy Spirit, and Pentecost is the day it first came down in a very spectacular form.

Not all churches celebrate Pentecost any more, but many do. The color red is often used to symbolize the spiritual energy and fire of the original Pentecost. On the 16th of June we will celebrate Trinity Sunday by completing the Father / Son / Spirit triad, Pentecost marks the birth of the complete Christian church.

So the Day of Pentecost is very important because God has provided us with a helper ie the Holy Spirit, who is always with us to lead and guide us and to help us to fight the cosmic power of Satan which we cannot fight on our own.
