Presbyter's Message

Dear Parishioners,

Greetings to you in the precious name of our Lord and Savior Jesus Christ.

There are those times in life when everything seems to be against us.

All of our efforts to fix the problem have failed, solutions elude us, resources are unavailable and we get one closed door after another.

We become weary, beaten down, mentally worn –out and emotionally drained. It seems like everything is stacked against us.

We are not sure we can face another day, and yet we see an unending number of days of difficulty ahead. In these moments, when we

realize all our human resources have failed, we are most open to requesting the power of God. We know that only His intervention will rescue us.

And what is God's promise to us?

Have you ever heard? Have you never understood?

The Lord is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding. He gives power to the weak and strength to the powerless. Even youths will become weak and tired, and young men will fall in exhaustion. But those who trust in the Lord will find new strength.

They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint. (Isaiah: 40: 28- 31)

Unless we have experienced this weariness this coming to the end of yourself will sound like unreal or untruthful. But to those who have experienced it, it is a precious promise of needed power.

God is always there to help us out and to lead us from problematic situation to a situation where we will have peace of mind, but the only condition which we have to remember is we need to trust him with all our heart with all our mind and with all our strength and with all our soul.

Let us all experience this love of God in our hearts and let us all come in his presence and surrender our life in His hand.
