Presbyter's Message

Greetings to you in the precious name of our Lord and Saviour Jesus Christ. Ash Wednesday gets its name from the practice of placing ashes on the forehead of the faithful as a sign of repentance.

There are forty week days in lent, plus six Sundays, making forty six days in all.

Lent is a period of special devotion, meditation and consecration, it is a season which provides us a most desirable opportunity to take account of the state of the soul and seek a little quietness in the hope of understanding more clearly the real meaning of life.

The Lenten season provides us to examine our journey as a Christian disciple and to renew and recommit ourself to God's service and witness.

Let us remember that Lent is a time for change, a time for giving up something such as a habit or a pleasure abandoning everything evil, impure and unworthy.

We request you to please collect your Memento on 31st of March positively as this will be a token of love from the Church to all the families of the Parish.

Let us remember that Lent is a time for spiritual exercises in order to make our bodies more effective and useful for the works of our Lord on this earth. During this period of Lent we need to do the right things for the right reasons. We should pray for Gods agenda, not our own. We should prioritize eternal things not temporal things We should judge ourself before we judge others. We should stay true to our conviction and don't wander from the narrow path. As we enter the period of Lent let us guard our hearts and minds from all sinful deeds and let us constantly humble ourselves before the Lord, living in gratitude to him for his mercy and grace. May God bless all of us as we enter another season of Lent.
