Presbyter’s Message

Dear Parishioners,

Greetings to you in the precious name of our Lord and Saviour Jesus Christ. This month we are going to celebrate a very important festival that is the festival of Harvest. Harvest festival is a time to thank God for his rich provision; a time to thank God for his gifts to us; a time also to reach out in prayer and harvest-gifts, to those near and far who are in need, as well as a time to focus on the spiritual harvest of our life and ministry. Harvest Thanksgiving is one of the few times during the year when the Church’s focus is on the goodness of God’s creation. It is a chance for each of us to be mindful of God’s generosity to us, who provides us with food and nourishes us with all the good things of life. One of the greatest prayers we can offer God is the prayer of heartfelt thanks. As we celebrate this festival of Harvest let us be thankful to God for all that he has done for us and for our family. Let us be mindful of God’s generosity to us and be thankful for the providence he has given to all us. Harvest Thanksgiving should never be a mere formality or ritual – it should be a great and glorious meeting between God and His people. May God bless us so that this Harvest festival we may be grateful and thankful to our God Almighty.
